5:00 – 8:00pm

PLACE:
Branchburg Executive
Courtroom

1077 US HIGHWAY 202 N
BRANCBURG, NJ 08876

PUBLIC INFORMATION CENTER

Somerset County, the **North Jersey Transportation Planning Authority**

(NJTPA) and the NJDOT are conducting a Local Concept Development (LCD) study to determine appropriate improvements to the **Picket Place Bridge** over the South Branch of Raritan River. The goals of the study are to address the deficiencies of the bridge and increase safety.

All members of the public are encouraged to attend this meeting to learn about the study and ask questions about the project. We are seeking **YOUR** input and suggestions about options for future improvements. Our goal is to keep Branchburg and Hillsborough Township residents informed and engaged throughout the project.
