PUBLIC INFORMATION CENTER

Somerset County in cooperation with the North Jersey Transportation Planning Authority, the New Jersey Department of Transportation, and the Federal Highway Administration, will be hosting a Public Information Center meeting to inform local residents, officials, businesses and the general public about the Local Concept Development Study for the Picket Place Bridge (CR 567) over the South Branch of Raritan River located in Branchburg and Hillsborough Townships.

The purpose of the meeting is to solicit public input and comment on the conceptual alternatives and the Preliminary Preferred Alternative for the bridge improvements. The meeting is an open-house format but there will be a brief presentation. All are welcome and are encouraged to comment on the study.

Written comments will be accepted through November 18, 2019. Comments may be emailed or mailed to:
